Building Solutions

HISTORICAL REVIEW AND BACKGROUND

Halcons Limited was incorporated in Uganda In 2011 with the efforts of Two dynamic, Young and Determined entrepreneurs and the company had a humble beginning with a steady growth and has managed to attain its goals in a very short span of time by solving the building problems in Uganda.

Halcons Limited was and is a brain child of Two mentioned entrepreneurs, who with their experience and endless efforts have single handedly set up and established a successful running model in Uganda with a range diversity and innovations in various Engineering Concepts to fuel a joint national infrastructure development and well being of Ugandans.

The company has ambitious plans to build upon a reputation for delivery of Building and Civil Engineering, Production of Building Materials, ElectroMechanical Works Systems and Carpentry and Joinery, Steel Fabrication and Aluminum Works all with a heart to produce excellent high quality products and timely service delivery by diversifying into areas of manufacturing of various construction materials to meet the regions' demand for construction materials such as blocks, pavers, road slabs, curb stones, culverts, , ElectroMechanical Works and installations, Carpentry, Joinery, Fabrication, Aluminum Works and Interior Designs. The company's operations involve construction and installation services headed by young and dynamic expertise packed with several diversified skills in carpentry, Fabrication, Aluminum works among others. During the 15 years of our existence, we have achieved and successfully completed multiple projects and have grown our teams in all aspects

VISION

"To be a respectable Contractor delivering beyond expectation with experience and innovation through maintaining and strengthening engineering business by developing new skills and talent to respond to the changing needs of clients and markets Environment via our far-reaching international network and our financing capabilities to be the supplier of high quality, distinctive products/services and respected for unequalled customer service delivery in the Construction industry."

MISSION

"To trump as the leading engineering, procurement, construction and related technical services organizations; serving industry sectors and geographic markets, We Procure Projects at Competitive Pricing, Provide Safe Working Conditions and deliver quality work within reasonable time Frame."

COMPANY PHILOSOPHY

We do business the old fashioned way, being Honest and Straight forward and keeping our word as to what we are assigned to deliver and when we deliver it thus we strive achieve the intended project goals for on every job. We oversee each project and personally respond to resolve any problems while delivering Project without compromising on Quality and we stand firmly behind everything we do. Our success is founded on the Quality and Talents of the men and women who comprise Halcons Ltd. It is our proirity to spot, Head hunt and recruit Men and Women of the best talent in all our fields of operation of the Company. We are proud of our history as a company and appreciate our loyal clients who have made our passage from a small 1 crew company to the professional construction team of 100 qualified personnel we are today, with a fully integrated communication and project management system.

OUR GOALS & OBJECTIVES

To be the leading and reputable Contractor in Civil Engineering and Construction, Water Supply and Maintenance Systems, Road construction and Maintenance Services and Supply of all locally manufactured Construction materials at favorable prices To Provide our Clients with an "I am assured" experience when we are chosen to execute their Projects thus commission projects on Time.

To promote (through example) an awareness that profitable development need not destroy the local environment, but can build upon and reinforce the qualities and traditions of local life.

To provide well designed properties and property services to the increasing number of interested home and commercial property owners in the local market.
